LANGUAGE

- Georgian
- English
- Russian

EDUCATION & QUALIFICATION

Bachelor of Electrical Engineering — 2019-2023
University of Georgia

DataOps (Advanced It Trainings)
Ilia State University

Designing and Implementing a Microsoft Azure AI Solution
New Horizons Computer Learning centers

WORK EXPERIENCE

Invited Lecturer in UG College — 2021 (Fall)
- conducting lectures in Introduction to Computing Mathematics
- planning lectures, seminars/tutorials and learning materials
- checking and assessing student's work

International project KM3NET official member of Georgian group — 2021Sep-2023May
- working on big data
- writing some data pipelines in Python
- collaborating with group members on decision-making process
- attending seminars

MY SKILLS

OS
- Windows
- Linux (ubuntu)

Programming Languages
- Python
- Javascript
- C++

VCS
- Git
- Github
- Gitlab
- Bitbucket

WEB
- HTML5
- CSS3
- Bootstrap5
- Flask

Cloud
- AWS
- Microsoft Azure

Data

SQL
- PostgreSQL
- MySQL
- MS SQLServer
- SQLite

NoSQL
- MongoDB
- IBM Cloudant

BigData
- Spark (PySpark)
- Hadoop
- Hive

Data Visualization
- Power BI
- Seaborn (Python)
- Matplotlib (Python)

Containarization
- Docker
- Docker-compose
